

With you on the front line

# RS1-SX

## BODY WORN CAMERA

The RS1-SX is a new concept in body worn cameras, inspired by the experiences of people on the front line, which builds elegant simplicity and reliability into ruggedised, compact casing.

## Key features

### Lightweight and Rugged.

Compact in size but built tough for active use outdoors.

### Display footage in real time.

Deterring, front-facing screen displays footage as it is being recorded

### 110 degrees camera head rotation

Means one size can fit all front line workers.

### Intuitive design.

Every aspect has been designed to make it simple and easy-to-use.

### 130 degree field of vision.

Capture everything you see.

### Ideal for shirted workers.

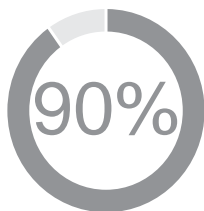

Lightweight design and flexible mounting options makes it ideal for shirted uniforms.

### Works with DEMS.

Automatically syncs with the world's most popular digital evidence management software.
